(contributed by Ellen Gentle)

2 cups grated sharp cheddar cheese

2 cups grated colby cheese

2 cups grated hard cheese (like Asiago, Parmesan, etc)

1/2 onion grated

2 tsp Worcestershire

1/2 tsp dry mustard

1/2 cup mayonnaise

1/2 cup sour creme

White pepper

Small cocktail bread

(usually at the deli station in the grocery store, the sweeter the better)

Edible glitter

(If you don't have a local cake decorating supply store, glitter can be purchased from "Cakes By Sam": (501) 988-2400,

Mix first 9 ingredients in food processor. Use mix to make sandwiches. Dust sandwiches with glitter before serving. Enjoy! (Makes about 25 small sandwiches.)
